

# IS THIS FAIR?

**There are so many reasons why Kent's school system is unfair**

## **HOW IS THIS UNFAIR?**

- Wealthy families buy advantage when they pay for test tuition
- The 11+ has been shown to be inaccurate in its judgements for a quarter of children
- Children aged ten have their confidence damaged

## **IF YOU WANT TO END THIS DIVISIVE SYSTEM, YOU CAN**

***Time's Up for the Test is a new campaign to phase out the 11+. We believe that when enough people demand change, politicians will listen and act.***

## **IT DOESN'T HAVE TO BE LIKE THIS**
